

Commercial Induction
Chinese Wok Station(single)

- The most popular cooking equipments for Chinese cooking.
- Over 90% efficiency, and automatic pan detection provides instant energy transmission to pan and automatic switch off when pan is not present, thus it could lead a 40-60% energy saving compare with the conventional gas cooking.
- The LED indicator will show the power level and also in case of error, it will show the error code enabling user to diagnose and correct minor problems
- Automatic power adjustment when ambient temperature rises too high or in case of empty pan heating to prevent overheating
- Automatic pan detection provides instant energy transmission to pan and automatic switch off when pan is not present.
- Chef friendly Knee-Control slide switch sets free the chef's hands.
- The reasonable collar supporter could protect the Ceran glass well.
- Integral grease filter to ensure clean air intake
- Internal cooling fan to keep internal electronics cool
- Easy to clean high-impact glass-ceramic top surface
